

AGORA

AGORA - Association of Trainees and Young Specialists in Obstetrics and Gynaecology from Romania

REZIDENCY IS THE MOST IMPORTANT, SENSITIVE, FULL OF EXPECTATIONS IN THE LIFE OF A MEDICAL DOCTOR.

WHY AGORA ?

The AGORA initiative group should give us a common voice needed for:

- aligning our training with that of trainees in other european countries
- Form a solidary professional body
- to know each others and to become friends

WHAT DO WE PROPOSE?

- to colaborate
- to know each other
- to be active participants at the implementation of a training audit system during residency
- Participate in meetings with other european trainees
- Facilitate the professional experiences of our trainees abroad

IF YOU WANT TO BE A PART OF THIS PROJECT :

- send the name, the hospital where you are working, the year of residency and other relevant information about you at agora.obgin@gmail.com
- share with us your ideas about applying the proposed curriculum of EBCOG-PACT in the context in which you work
- Keep track of the news on the site
