

Dear colleagues!

We are looking forward to welcome you to the 2019 ENTOG Exchange, Scientific Meeting and Council in Poland on 3rd-8th of June 2019. The participants will have the opportunity to experience the Exchange in numerous cities: Katowice, Kielce, Lublin, Łódź, Opole, Olsztyn, Poznań, Warszawa, Wrocław and others. We are planning both, informative and fun program, for the days you will be staying with us. You will experience not only our healthcare system, but also our beautiful country. At the end, we will enjoy the ENTOG Scientific Meeting and Council in Warsaw together with the Polish trainees.

Country: Poland is a country of rich history, vibrant cities, charming rural regions, scenic mountains, beautiful seaside, friendly and tolerant people and tasty food. Moreover, from the scientific and medical point of view, Poland has been rapidly developing over the last two decades and now for instance has one the best perinatal results in Europe.

Exchange programme: The Exchangees are encouraged to arrive on Sunday afternoon and stay until Thursday in the hospital of their host. The accommodation will be provided mostly by hosts in their apartments, yet in some cities trainees will be placed in hostels with no additional fee. During the working hours, the exchangees will be in the hospital with their contact person. The social programme after the hospital work will include sightseeing tours, integration in the city centre, etc. – the scope and type of the social programme might vary from city to city.

Scientific Meeting & Council: Everybody, especially the country representatives, is welcome to join the ENTOG Scientific Meeting on 7th of June and the ENTOG Council on 8th of June. These meetings will be held in Warsaw in Arche Hotel, Krakowska St. 237 (<https://www.archehotelkrakowska.pl/en/>). After the ENTOG Exchange all of the exchangees and any additional participants of the ENTOG Scientific Meeting and Council will meet on Thursday evening during the “Welcome drink” party in one of the vibrant Warsaw night life locations on 6th of June. On Friday evening, after the ENTOG Scientific Meeting, there will be a joined ENTOG-EBCOG gala dinner. The preliminary programme of the ENTOG Scientific Meeting is attached and will soon be available on the ENTOG website www.entog.eu.

Registration: We are able to host 2 trainees from each ENTOG member country on the ENTOG Exchange from 3rd-6th of June 2019. The selection of candidates from each country is handled by their national trainee societies (if you would like to apply and you don't know who your ENTOG country representative is, feel free to ask via info@entog.eu).

The ENTOG country representatives are requested to communicate the names of the selected participants for the ENTOG Exchange, as well as any additional participants of the ENTOG Scientific Meeting and Council, before the 14th of January 2019 by writing an e-mail to entogexchange2019@gmail.com.

Please, provide the following information: name, country, e-mail address and telephone number of the trainee. Registration is not final until the registration fee has been paid. The registration form and account information will be sent to the participants upon registration confirmed by the country. Please, note that the accommodation is only provided for the days of the ENTOG Exchange. All

participants of the ENTOG Scientific Meeting and Council in Warsaw (including the exchanges) are responsible for booking the accommodation for those days individually and at their own expense.

Price: The price for the full programme: the ENTOG Exchange, the ENTOG Scientific Meeting and Council is 150 EUR. It includes accommodation during the ENTOG Exchange, the welcome drink on Thursday and the ENTOG Dinner on Friday (accommodation during the ENTOG Scientific Meeting and Council is not included). We strongly encourage all participants of the ENTOG Exchange to join the full programme.
